**SPECIAL FILMING CONDITIONS
1700-1800 BLOCK OF NORTH VERMONT AVENUE**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents/merchants within 500 ft of any filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least (2) days in advance of the first filming day or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least (3) days in advance.*
- **Residential hours (7:00 a.m. to 10:00 p.m.) must be adhered to whenever the side streets are used for parking** unless approval is obtained from the Permit Authority and the approved times are indicated on the permit.
- **No parking in City parking lot 675 (4642 Russell Avenue).**
- **Equipment parking and posting on Vermont Avenue will require a survey of the affected merchants.** *Approved signatures must be obtained using a FilmL.A. "Posting Survey."*
- **Cast and crew may not park on area streets.** Off-street parking must be provided.
